Catalogue

5th Sopianae International Photo Salon 2023

Pecs is a 2000-year-old town, established by the Roman Empire named as „Sopianae”. The first **university** in Hungary was established by Louis the Great in Pécs in 1367: more than 650 years ago. The choice of the location was not a chance, since according to Pope Urban V.: “*Pécs is particularly suitable for disseminating the seeds of science*”. Pecs in 2010 was the **Capitol of Europen Culture**.

Mecseki Fotoklub was established in 1957, 66 years ago, one of the oldest photoclub in the country. **Sopianae Int’l Photo Salon**, called into being in 2016 year. Our aim is to add colour to cultural events of the town, university life, reinforce position of Mecseki Photoclub in the world of photography.
